

Nigeria The Bradt Travel Guide

Nigeria-Lizzie Williams 2008 Despite its negative image, for travelers with an open mind and friendly demeanor Nigeria is an incredibly absorbing country in which to travel. Experience the mind-boggling chaos of Lagos, the traditional durbars, Benin bronzes and walled cities, and enjoy its single greatest quality - the warm generosity of 140 million people. Details of getting around, by bush taxi, rail, car or on foot, together with accommodations options, wildlife watching and activities, are balanced by a wealth of background information, from history (of a country dating back thousands of years) and geography to culture and the environment.

Niger-Jolijn Geels 2006 This first English-language guide to the Saharan country of Niger spans the densely populated regions of the south--a colorful melting pot of cultures--and the hostile desert landscape of the north--featuring some of the most stunning sand dunes in Africa. Transport options for travelers are a particular feature of the guide--including long-distance connections to neighboring countries, river trips on the River Niger and camel trekking in the Massif de Ar and Tnr desert regions, home to the nomadic Tuareg people. As more independent travelers are finding their way to Niger, this guide will focus on both ends of the market: the upmarket traveler looking for background information and the budget traveler with a need to know all the practicalities. Features include:

Cameroon-Ben West 2011 A thoroughly updated edition of the most in-depth guide available to Cameroon, a country home to ancient tribal kingdoms, colorful trading towns, 'pygmy' hunting camps, and endangered lowland gorillas.

Equatorial Guinea-Oscar Scafidi 2015-11-20 Unexplored Equatorial Guinea finally gets a guidebook! This one-time Spanish colony is one of the smallest countries in continental Africa, both in terms of size and population, and is ranked by the United Nations among the ten least visited countries in the world. From the oil-rich capital of Malabo on the volcanic island of Bioko, set out to explore the jungle interior via the Spanish colonial outpost of Bata, where you'll find pristine national parks teeming with wildlife, incredible white-sand beaches and a wealth of small, traditional communities. Travel here may not always be straightforward, but the rewards are worth it for such a unique experience in the heart of tropical Africa's only Spanish-speaking nation. This is the only in-depth English language guide

to Equatorial Guinea, one of the last truly unexplored corners of sub-Saharan Africa. With first-hand descriptions of all seven provinces (including the islands and the mainland), accommodation, maps and itineraries, plus practical details, guides to security and getting a visa, this is all the information you need whether visiting Bioko on business or trekking Río Muni in search of gorillas.

Nigeria-Lizzie Williams 2012 The chaos of Lagos, one of the world's most populous cities, often overshadows the rich offerings found elsewhere in Nigeria. Explore further and travellers can bathe in the Wikki Warm Springs at Yankari National Park; trek through Oshogbo Sacred Forest - a world Heritage site; or visit one of the Emir's many elaborately decorated palaces. The only dedicated English-speaking travel guide to Nigeria on the market, personal anecdotes guide the traveller through each region, highlighting places to eat, sleep and shop. Essential advice on where to stay and how to avoid scams ensure travellers arrive at their destination safely. Lizzie Williams' engaging style brings alive the many cultural events such as the Abuja carnival and the horse-riding Durbar festivals.

Benin-Stuart Butler 2019-06-06 Since Bradt first published a guide to Benin over 10 years ago, the country has become more popular with visitors to West Africa. Bradt's Benin remains the original and one of the only comprehensive guides in English to this French-speaking country, arguably the region's best wildlife destination and the birthplace of the much maligned and little understood religion of Vodou (voodoo). This new edition includes coverage of the growing range of eco-travel and community based tourism options that have sprung up in recent years. Also included is more information on the wildlife and national parks of the north which are becoming more popular with general safari tourists, including the Parc National de la Pendjari (now under African Parks Management), increasingly recognised as the closest place to Europe easily to see lions and elephants. A dedicated chapter on Cotonou ensures the capital is covered in full detail, including up-to-date recommendations for places to eat and stay, while the rest of the country is divided into five easy-to-follow chapters, each replete with listings, hotels and restaurants, background and historical text, as well as recommendations on what to see and entertainment. Bradt's Benin also includes a field guide to gods, ghosts and dead people: after all, it's easy here to arrange to have a cup of tea with a wizard and buy spells to make someone love you. And what makes Benin so special from a visitor's perspective is that such characters are a visible part of day-to-day life and encounters with them may well form the backbone of a Benin adventure. But there is more than just storybook magic to this country. It has a huge and varied array of birdlife and two of the finest parks this side of the continent and it is a place in which heart-in-the-mouth encounters with buffalo, elephant and lion are day-to-day events. Whatever your interest, whether it's wildlife, culture, golden sand beaches or tracing your ancestral roots, Bradt's Benin offers comprehensive and extensive travel information for all price bands and is the perfect companion for a successful visit.

Africa Overland-Siân Pritchard-Jones 2009 Be vigilant when driving through Africa: camels are careless when crossing the road, and women carrying waterpots are little more watchful. So warn the authors of this fifth edition of Africa Overland. They also give updated information on each country's political and security situation (Angola, Sierra Leone and Liberia are on the up; since this guide's last edition, security in Western Sudan and Eastern Chad has turned sour); provide an expanded Route Outlines section including information on border crossings; and offer revised recommendations on vehicles including practical coverage on buying a vehicle, maintenance and driving. 'This is the ultimate roadies' guide to traversing the wilderness of Africa. An indispensable guide to negotiating the uncharted perils of Africa's vast plains.' Daily Express (UK)

Johannesburg-Lizzie Williams 2007 This pocket-sized guide allows business and vacation travelers to explore Johannesburg's attractions safely, including excellent museums, markets, art galleries, and cafes. Also features background on Johannesburg's history and culture, clear city maps, and a language guide.

Ethiopia-Philip Briggs 2005 This Bradt guide has become the definitive source of information on this country rich in culture, history, and dramatic scenery. For first-time visitors, Philip Briggs supplies plenty of practical advice on how to bridge the cultural gap and plan a trouble-free trip. Heritage hotspots in a land thought to be the cradle of civilization and resting place of the Ark of the Covenant include the architecturally fascinating rock-hewn church of Lalibela, the unofficial eighth wonder of the world, and ancient palaces and staelae at Axum. Ethiopia boasts nine national parks and several wildlife sanctuaries, all of which are detailed in Philip Briggs's comprehensive text. This guide features:

e-Pedia: Captain America: Civil War-Contributors, Wikipedia 2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. Captain America: Civil War is a 2016 American superhero film based on the Marvel Comics character Captain America, produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures. It is the sequel to 2011's Captain America: The First Avenger and 2014's Captain America: The Winter Soldier, and the thirteenth film of the Marvel Cinematic Universe (MCU). The film is directed by Anthony and Joe Russo, with a screenplay by Christopher Markus & Stephen McFeely, and features an ensemble cast, including Chris Evans, Robert Downey Jr., Scarlett Johansson, Sebastian Stan, Anthony Mackie, Don Cheadle, Jeremy Renner, Chadwick Boseman, Paul Bettany, Elizabeth Olsen, Paul Rudd, Emily VanCamp, Tom Holland, Frank Grillo, William Hurt, and Daniel Brühl. In Captain America: Civil War, disagreement over international oversight of the Avengers fractures them into opposing factions—one led by Steve Rogers and the other by Tony Stark. This book has been derived from Wikipedia: it contains the

entire text of the title Wikipedia article + the entire text of all the 634 related (linked) Wikipedia articles to the title article. This book does not contain illustrations.

The Mandates of the Church-Rich Ayo Adekoya 2015-06-29 In this thought-provoking and momentous book, the author poses the questions, what is the role of the church in our society and should there be any relationship between the state and the church for the development of the society and what could be the effect of such collaboration if there is any? In asking on what bases is the church getting involved with the society, he explores both the Biblical foundations and three major theories that have emerged about societies and social behaviour. Particular attention is paid to the relationship between religion and social change to the case of the church in Lagos, Nigeria as an agent of social and political change in society. Using a thematic structure, Richard Adekoya illustrates different roles the church can play in society, especially in a democratic milieu, for example humanity services, educational development, spiritual and moral development and social and ethical development. He examines the various contributions of the churches in Nigeria right from the missionaries era to the contemporary dispensation. The book basically proved that the church mandate is not limited to its evangelical obligations. Its involvement in many aspects of peoples lives in society, particularly the social and political aspects, is part of its cultural mandate. This is a challenging book, rich in example and wide-ranging in scope: key ideas that so often appear impossible for the church to practice - employment generation, political leadership, public enlightenment, tackling corruption in the polity here practically seem possible. Richard Adekoyas excellent work, tackles this set of issues in a very thorough way. By looking at the issues through the lens of the Bible, church history and sociological analysis he makes a powerful theological case for the involvement of the church in the societies in which it finds itself called to give a witness. Understandably and helpfully there is a particular emphasis on Nigeria, a nation which he knows well. By choosing Nigeria as a kind of case history the broader, general case is given a particular and penetrating illustration that strengthens his wider argument. Dr. Martin Robinson, Principal, ForMission College, Birmingham, UK

Insurgency and War in Nigeria-Akali Omeni 2019-12-12 Boko Haram is the major threat to the Nigerian state, and has emerged as a destabilizing factor across sub-Saharan Africa. This is now a major focus of global policy-making, as between 2013 and 2014 insurgency-related deaths in Nigeria exceeded those in Iraq and Afghanistan. This book is the first to focus on the military nature of Boko Haram, the reasons for its success in those specific regions of the Chad basin it operates in and a detailed history of the Nigerian army's counter-insurgency - with whom, uniquely, the author has spent research time. The book identifies and analyses the battles and skirmishes on the front line, as well as unearthing a wider explanation for Boko Haram's military success and the causes of the instability in the region.

Overcoming the Corruption Conundrum in Africa-Anzanilufuno Munyai 2020-01-15 This book adopts a holistic approach to identifying what could be done to surmount the corruption conundrum in the African continent. It acknowledges the objective reality of corruption in Africa, and identifies primary solutions to the issue. The volume takes a socio-legal approach in order to reveal the nature and extent of corruption, and suggests that solutions can be found simply by interrogating how society reacts to it. In conjunction with this, the book identifies and critiques constraints in the formation of a definitive definition of corruption. As shown here, although it is critical for African states to develop anti-corruption strategies, the solution to the problem requires an understanding of the significance of political will, and how the lack thereof has led to the endurance of corruption in Africa.

DK Eyewitness Kenya Travel Guide-DK Travel 2015-10-06 DK Eyewitness Travel Guide: Kenya is your in-depth guide to the very best of Kenya. Whether you want to go on a safari adventure and come within feet of this country's spectacular wildlife in its world-famous national parks, lounge on superb beaches, or experience the lively nightlife and cultural attractions of Nairobi, visiting Kenya is a richly rewarding escape. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Kenya truly shows you this country as no one else can.

African Cultural Personalities in a World of Change-Ikechukwu Anthony Kanu 2018-08-16 This notwithstanding, over the years, the African culture in all its manifestations became the bulls eye for attack especially during the Atlantic Slave Trade, Colonialism, Racism. During these periods, Europe dealt coup de grace to the African personality, to his is-ness, by destroying the African cultural values. They disrespected African peculiarities, languages enriched with traditions of centuries, parables, many of them the quintessence of family and national histories; modes of thought, influenced more or less by local circumstances, local poetry which reveals the profundity of African literary wizardry. A lot of these were altered against the background that the African in all his susceptibilities is an inferior race and that it is needful to give him a foreign model beacon to emulate and follow. In our time of globalization, bringing about a new sweep of changes on the African cultural values, a more careful, historically grounded interpretation of the cultural changes occurring on the continent is, therefore, needed and for it to be useful, it should enable us to transcend the narrow and narrowing parameters that currently dominate the discourse on the processes and structures of change occurring in contemporary Africa. This piece is a great accomplishment by African scholars to do a grounded hermeneutics of the structures of changes taking place in Africa. The different

chapters are the fruits of the 2018 International Conference of the Association for the Promotion of African Studies (APAS). The authors, like artists, combine originality with insightful imagination. They have carefully treated the historical, conceptual, basic and substantive issues in cultural change in Africa. Their coherent, systematic and encyclopedic approaches have the capacity to expand the intellectual and professional horizon of its readers.

The Routes of Man-Ted Conover 2010-02-09 From the Pulitzer Prize finalist and National Book Critics Circle Award-winning author of *Newjack*, an absorbing book about roads and their power to change the world. Roads bind our world—metaphorically and literally—transforming landscapes and the lives of the people who inhabit them. Roads have unparalleled power to impact communities, unite worlds and sunder them, and reveal the hopes and fears of those who travel them. With his marvelous eye for detail and his contagious enthusiasm, Ted Conover explores six of these key byways worldwide. In Peru, he traces the journey of a load of rare mahogany over the Andes to its origin, an untracked part of the Amazon basin soon to be traversed by a new east-west route across South America. In East Africa, he visits truckers whose travels have been linked to the worldwide spread of AIDS. In the West Bank, he monitors highway checkpoints with Israeli soldiers and then passes through them with Palestinians, witnessing the injustices and danger borne by both sides. He shuffles down a frozen riverbed with teenagers escaping their Himalayan valley to see how a new road will affect the now-isolated Indian region of Ladakh. From the passenger seat of a new Hyundai piling up the miles, he describes the exuberant upsurge in car culture as highways proliferate across China. And from inside an ambulance, he offers an apocalyptic but precise vision of Lagos, Nigeria, where congestion and chaos on freeways signal the rise of the global megacity. A spirited, urgent book that reveals the costs and benefits of being connected—how, from ancient Rome to the present, roads have played a crucial role in human life, advancing civilization even as they set it back.

Discovering the Kingdom of Benin-Amie Jane Leavitt 2013-12-15 The Kingdom of Benin, which started out as a small community and grew to be a vast empire, was particularly known for its expert farming practices, building skills, and artistic abilities. Within a few centuries, the Kingdom of Benin had grown into a dominant force in the region. Contact with Portugal led to economic and military cooperation and an even wealthier and more expansive empire. Eventually, however, it also helped facilitate the slave trade and planted the seeds of Benin's eventual destruction. Today's students are woefully unaware of the political, economic, and artistic glory that was Benin. That is corrected here and done so in lavish full-color, with abundant use of enthralling photographs, artifacts, maps, illustrations, and primary source materials. This text supports Common Core's mandate regarding analyzing the relationship between primary and secondary sources, citing evidence to support analysis of primary and secondary sources, and determining the central ideas or information of a primary or secondary source.

Footprint Focus Johannesburg & Kruger National Park-Lizzie Williams 2011-10-01 The colorful, long-running series for adventure-loving travelers offers detailed, up-to-date information on a host of exotic locales throughout the world, providing background trivia on every town and landmark, a host of money-saving tips, advice on health precautions and anecdotes about local history, customs and culture.

Zimbabwe Handbook-Lizzie Williams 2010 Travel guide to Zimbabwe

Coup Abortive-Hedley Harrison 2020-10-27 Set against the encroachment of Muslim fundamentalism, out-dated regional factionalism and the increasingly powerful culture of the political and professional elite that is more in tune with modern international values than the rivalries of the past, *Coup Abortive* is the new political thriller by Hedley Harrison. Mark Shortley, a security consultant, and his partner Janine Effiong, are recruited to prevent illicit arms shipments from entering southern Nigeria. Drawn into the action they meet up with Janine's cousin Fid Okeke, and the cold and calculating Victoria Akinbode of the Nigerian Security Service (NSS). Things take a turn for the worst when a Middle East terror group gets involved. The long-standing feud between the Middle East terror group and the Wongs, the arms suppliers, threatens to bring further danger. It is a race against time to prevent the arms shipments from entering Nigeria, which will cause catastrophic changes if they fail.

Cameroon-Ben West 2008 This guide explores the geographical diversities of Lake Chad in the north, Mount Cameroon in the west, and the dense rainforests of the south. Details of getting around the country by bush-taxi, rail, car or on foot, together with accommodations from camping to mud-hut 'royal palaces', are balanced by a wealth of background information on history, geography, culture, and the environment. Cameroon offers excellent possibilities for hiking and encounters with big mammals, including large herds of elephant. Planning and preparation details for overland crossing into Cameroon from adjacent countries are provided to make this the complete guide for travelers.

Bradt Travel Guide - Borneo-Tamara Thiessen 2008 Sandwiched between the South China, Sulu and Celebes Seas, Borneo is the third biggest island in the world and also the only island which is home to three nations: Malaysia, Indonesia and Brunei. Its biodiversity is also one of the greatest in the world, with tropical rainforest and rivers covering over 70 percent of Malaysian Borneo and hundreds of unique flora and fauna species. Despite extensive destruction of its rainforests over the past couple of decades, Borneo remains a

floating natural paradise of tropical rainforest, jungle and wild animals. Its past is one of highlands, islands, head-hunters, sultanates and sea-going myths and therefore offers a rich cultural experience for adventure travelers, divers and sunbathers alike.

Bradt Abruzzo-Luciano Di Gregorio 2013-02-20 Situated in the centre of Italy, Abruzzo lies just an hour's drive from Rome. Often overlooked, it has never been discovered by mass tourism. Abruzzo has something for everyone: hiking on the slopes of the Majella mountain range, wine tasting along olive-strewn roads that disappear into the labyrinths of ancient towns, shopping through the sunny, pastel streets of Pescara or skiing on the highest peaks of the central Apennines. This updated guide explores towns and villages well off the beaten track. It also goes into greater depth on the region than its competitors, with more detail on the history, culture and sights, and more opinionated and entertaining reviews of hotels and restaurants.

Bradt Travel Guide Serbia-Laurence Mitchell 2007 The ex-Yugoslav region of Serbia is experiencing a re-launch of tourism that has opened up the country. Serbia covers fundamentals such as getting there, a range of local travel options and accommodation for all budgets and styles. Now a prime destination for winter sports, mountain resorts and a range of health spas in spectacular settings are also covered.

The Bradt Travel Guide Uruguay-Tim Burford 2010 They won the first soccer World Cup. There's a lot of beef raised on the pampa. That's all most people know about Uruguay. Bradt's Uruguay, the only dedicated English-language guide to this country that's small yet bursting with character, shows that the adventurous tourist can uncover much more. It provides in-depth coverage of the capital Montevideo, where the colonial Old City is being restored. There's also detailed information on the coastal city of Colonia (which is on UNESCO's World Heritage List) as well as Punta del Este, to whose beaches the Buenos Aires beautiful crowd flocks each summer. There's advice, too, for active travelers who can rattle their whips on cattle-ranching estancias and spin their sticks in a game of polo or two, and for nature enthusiasts keen to watch wildlife in the western wetlands and birds in Cabo Polonio and Santa Teresa. Plus, the book investigates the Brazilian influences behind Uruguay's music and dance, and the country's Afro-Uruguayan culture, most noticeable in Carnaval.

Namibia Handbook-Lizzie Williams 2010 Travel guide to Namibia

Zanzibar & Pemba-Lizzie Williams 2011-08-01 Loaded with advice on what to see and do in Zanzibar and Pemba, this guide will take you from old Arabian townhouses to the coral coastline of Pemba.

Footprint Focus Kilimanjaro & Northern Tanzania-Lizzie Williams 2011 Packed with up-to-date information on Tanzania's top attractions, Footprintfocus Kilimanjaro & Northern Tanzania will guide you from game reserves and national parks to Africa's tallest mountain, the majestic Kilimanjaro.

Nairobi and Rift Valley-Lizzie Williams 2012-05-18 From the bustling, cosmopolitan capital of Nairobi to the wonderful scenery of the Rift Valley, find great places to stay, eat and sleep, plus detailed coverage on the amazing array of wildlife and activities this country has to offer. Features an Essentials section with practical tips to help plan a trip, detailed information on attractions and comprehensive listings of where to eat, sleep and have fun. • Essentials section with tips on getting there and around • Up-to-date recommendations of great places to stay and eat • Highlights map of the region plus detailed street maps where relevant • Slim enough to fit in a pocket Loaded with advice and information on how to get around, this concise Footprintfocus guide will help travellers get the most out of their trip to Nairobi and Rift Valley without weighing them down. The content of FootprintFocus Nairobi and Rift Valley guide has been taken from Footprint's Kenya Handbook.

Durban & KwaZuluNatal Focus-Lizzie Williams 2015-01-12 Brimming with information on this diverse region, this guide to Durban and KawZulu Natal will take you from the towering Drakensberg Mountains to South Africa's best beaches

Cape Town & Garden Route Footprint Focus Guide-Lizzie Williams 2014-02-10 Surrounded by a spectacular mountain range and rugged beaches, Cape Town has one of the most beautiful city backdrops in the world. Footprint Focus provides invaluable information on transport, accommodation, eating and entertainment to ensure that your trip includes the best of this vibrant city. • Essentials section with useful advice on getting to and around Cape Town. • Comprehensive, up-to-date listings of where to eat, sleep and seek adventure. • Includes information on tour operators and activities, from wine tasting to mountain hiking. • Detailed maps for Cape Town & around. • Slim enough to fit in your pocket. With detailed information on all the main sights, plus many lesser-known attractions, Footprint Focus Cape Town provides concise and comprehensive coverage of one of the most beautiful cities in Africa.

South Africa Handbook-Lizzie Williams 2012 From the snowcapped peaks of the Drakensberg to the sweeping emptiness of the Kalahari Desert, the 11th edition of Footprint's indispensable guide will help you find everything under the African sun.

African Business- 2005

Bradt Abruzzo-Luciano Di Gregorio 2010 The only English-language guide to Abruzzo, a region of Italy untouched by mass tourism yet only an hour's drive from Rome. It's written by an author born and bred in Abruzzo.

Bradt: Liguria-Rosie Whitehouse 2013 The only in-depth guide to Liguria, a mountainous region of dizzy passes and breath-taking views where mountains plunge down into the sparkling blue waters of the Mediterranean. Liguria will leave you awestruck by its beauty. The narrow strip of coast includes the gems of the world famous Italian Riviera, the great port city of Genoa, the glitzy resort of Portofino and the charms of the Cinque Terre. Yet in the hinterland there are many beautiful villages and mountain walks that have yet to be discovered by tourists. The walks vary in difficulty so are accessible to all. Many of the walks and cycle routes featured in the book are through beautiful wilderness. Unlike other guides to the region, Liguria includes a detailed description of the mountains and their hilltop villages. With a strong regional identity all of its own, Liguria is almost a country within a country. The spectacular scenery, the mediaeval towns, quaint fishing ports and the wonderful food have attracted some of the world's most famous writers among them Byron, Mary and Percy Shelley, Henry James, Dickens, Maupassant, D H Lawrence, Virginia Woolf and Dylan Thomas. Tourists flock to the Cinque Terre and Portofino but many of the other resorts have few foreign visitors so Liguria has the best of both world's to offer the visitor the big names on the Mediterranean destination list and mountain villages and small fishing ports which are almost exclusively Italian.

Bradt Zambia-Chris McIntyre 2008 Zambia is one of the best destinations in Africa for walking and river safaris, yet it is little explored by travellers. This fourth edition covers the prime attractions, including all national parks, from the lower Zambezi and Kafue to the famous Luangwa Park, host to several unique species and the top place for leopard-spotting. Advice for the independent traveler includes how to choose first-class bushcamps, lodges and/or hotels to organise memorable safaris.

Zanzibar and Pemba-Lizzie Williams 2016-04-18 Zanzibar's coastline offers some of the best beaches in the world, with its dazzling white sands and colourful marine life, whilst atmospheric Stone Town is filled with intriguing alleyways and old Arabian townhouses. Whether you're sampling fresh seafood at the Forodhani Market, scuba diving off the pristine coast of Pemba or challenging your senses on a spice tour, Footprint's Zanzibar & Pemba Handbook covers all the top attractions on these glorious islands, plus tips for escaping the crowds and getting off the beaten track. • Includes Dar es Salaam, the main gateway for entering Tanzania. • Practicalities section with essential advice on getting there and around. • Highlights map & inspirational colour section, so you know what not to miss. • Comprehensive listings including where to eat, sleep and relax - whatever your budget. • Detailed street maps for Dar es Salaam, Stone Town & other key locations in the region. • Slim enough to fit in your pocket. Loaded with advice and information, this concise Footprint Handbook will help you get the most out of Zanzibar & Pemba without weighing you down.

Mali-Ross Velton 2009 The third edition of Bradt's Mali has been thoroughly updated, and includes new sections on Mali's festivals, music and musicians.

Tanzania Handbook-Lizzie Williams 2012 Tanzania is the jewel of Africa's east coast. Famous highlights inviting travelers to discover this incredible country include the Serengeti, Mount Kilimanjaro, Ngorongoro Crater and the exotic island of Zanzibar. Footprint's 3rd edition guide has been fully updated, including details on all these plus many more to help you get off the beaten track. Whether you fancy wildlife spotting or lazy days on the beach this guide covers it all. *Witness the greatest wildlife show on earth on the plains of the Serengeti *Includes a 32-page dedicated wildlife guide *Great coverage of all the adventure activities on offer hiking, ballooning, diving, fishing and more *Accommodation listings for every budget, from luxury lodges to bush camps and remote coastal hideaways *In-depth culture and history section *Includes carefully selected itineraries offering advice on how to get the best out of your trip whether you're travelling for a week or a month *Extensive thoroughly researched information to help you plan your trip as well as advise you on the ground *The heart of the guide is broken in to the key regions of Tanzania and gives you comprehensive information on each of these regions *Each regional section has an overview map, local information on how to get around with transport and street maps where relevant, a short history of the region, thorough advice on what to see and do and a directory of key local information on banks, embassies, internet cafes and medical services. *Also includes a full-color mini atlas which has maps of each region to help you get your bearings *Key local words and phrases are included to help you communicate ensuring an even better travel experience From the vast array of game reserves to glorious beaches on the Indian Ocean, Footprint's fully updated 3rd edition will help you navigate this fascinating destination.

Burkina Faso-Katrina Manson 2012-01 Provides an overview of Burkina Faso, advice for planning a trip to the country, and recommendations for lodging, restaurants, shopping, entertainment, and sightseeing attractions.
