Holocaust Essays: Examples, Topics, Titles, & Outlines

Kindred (novel) - Wikipedia
Kindred is a novel by American writer Octavia E. Butler that incorporates time travel and is modeled on slave narratives. First published in 1979, it is still widely popular. It has been frequently chosen as a text for community-wide reading programs and book organizations, as well as being a common choice for high school and college courses.

It Didn't Start with You: How Inherited Family Trauma
// the following book discussion includes topics of trauma, abuse, childhood. // // if this is a subject that triggers you, please skip this review <33 it’s really not worth it, i promise. // personally, i was coming to this book to understand trauma better from a victim’s perspective. i think a great book that i read that i can give an example was by Marie-France Hirigoyen: “Stalking

All Quiet on the Western Front by Erich Maria - Goodreads
1/7/2012 · In All Quiet on the Western Front, it is what Remarque has done exactly - to tell of a generation of men who were forever scarred by the war. This harrowing account of the Frist World War, written from the p "This book is to be neither an accusation nor a confession, at least of all an adventure, for death is not an adventure for those who stand face to face with it.

History - Wikipedia
History (from Greek ἱστορία, historia, meaning "inquiry; knowledge acquired by investigation") is the study and the documentation of the past. Events before the invention of writing systems are considered prehistory. "History" is an umbrella term comprising past events as well as the memory, discovery, collection, organization, presentation, and interpretation of these events.
