

For Sinners Only

For Sinners Only-Arthur James Russell 1932

For Sinners Only-A. J. Russell 2014-04-01 This is a book about sinners, for sinners, by quite a big sinner. You may not like it. You may even hate it, as some are sure to do. You may dislike the theme, for, though it introduces lovely people, it comes to grips with an unlovely subject. And solves its riddle. You may dislike the characters as they are limned in print, but not in real life. As they are all living, you may encounter them yourself someday, and discover their excellence. At least one will live on as an historic figure when this generation has merged with the ages. Perhaps many. Meanwhile, none can disprove the contents of this book or avoid its challenge. The story is true; the challenge is to you.

For the Sinner in You-Arthur James Russell 2013-04-04
One of the most popular book read in both the Oxford and A.A. Groups. It tells the story of the Oxford Group and the principles followed by its members. The esstential difference between the Oxford Group lies in its focus. A.A.'S focus involved people with a drinking problem While the Oxford group applied its principles to any problems affecting mankind. History shows that both approaches worked.

Splendor of Sorrow-Eddie Doherty 1954

Chief of Sinners-Michelle Andre' 2014-12-17 Purification is not pretty. Chief of Sinners shares the process of looking at self and looking in God's mirror and seeing the truth. Forced into the presence of God, with nowhere else to go but up, towards the Rock that is higher than I; God was my only hope, He was my only way out. Chief of Sinners shares the process of purification, by any means necessary. To receive the Lord Jesus Christ as your personal Savior, simply pray: Dear Lord Jesus, I know that I am sinful and I need your forgiveness. I believe that you died to pay the penalty for my sin. I want to turn from my sin nature and follow you instead. I invite you into my heart and life, in Jesus' name, Amen.

God's Free Gift of Salvation is for Sinners Only-

Grace Abounding to The Chief of Sinners-John Bunyan
2014-11-15 This Pure Gold Classic has been translated from the original seventeenth century text, and it was further edited and annotated by L. Edward Hazelbaker. This important work is an invaluable resource for anyone who wants to learn about the author of *The Pilgrim's Progress*. First published in 1666, twelve years before the publication of *The Pilgrim's Progress*, this autobiography shows what led to Bunyan's conversion, his struggles to overcome his weaknesses and fears, his growth into spiritual leadership, and his perseverance through many trials and persecutions.

Saints for Sinners-Alban Goodier 1970 God's grace can conquer every human flaw . . . Christ came not to call saints but to make them often out of weak, stupid, and sinful men. That's why the saints are not only models of holiness for us to imitate they're also reminders that God's grace can outshine every human flaw.

Grace Abounding to the Chief of Sinners, 1666-John Bunyan 1670 Many are familiar with John Bunyan as the author of *The Pilgrim's Progress*, whose influence in Christendom is second only to the Bible. Bunyan was a preacher, a prolific writer and a shining saint for God. Readers of "Grace Abounding to the Chief of Sinners," however, will find that as a young man John Bunyan was an atheist and infidel who enjoyed sin and rebelled towards God. Inwardly he suffered from tormented nightmares of demons and judgment, but outwardly he went on pretty much as any other sinner, taking delight in sin and being the ringleader of mischief. Several times he nearly lost his life, and even though there were several close calls, still he did not turn to God. After his marriage, he participated in religious activities, went through the motions of attending church and generally lived as he pleased, each time successfully shrugging off pangs of guilt. One day, after church, while playing a sport, a voice seemed to call out to him from heaven to his soul, which said, "Wilt thou leave thy

sins and go to heaven, or have thy sins and go to hell?" Bunyan was convinced it was the Lord Jesus looking down on him in displeasure. What follows details his sinking into despair, his desperate attempts at working his way into God's good graces, and his struggles with temptation and doubt. In a strange sort of way, it is comforting to read about Bunyan's struggles and identify with them because you can see how he turned out so greatly used by God.
