Ancient Rome Handbook. A historical guide for travelers-Luisa Maesano 2017-03-20 Scipio, Caesar, Augustus, Nero, Marcus Aurelius ... what was the secret to their power? And the famous Republic, was it really democracy? How were the legions structured? Who exactly were the slaves, the gladiators and the barbarians? What caused the mighty Empire to finally fall? The Handbook is a comprehensive summary of ancient Rome’s history, organized in a totally new format that makes it understandable and easy to scroll. It is the compelling story of Rome from its humble beginnings to the fall of a dominant empire. The book is made up of brief paragraphs with a clear focus on events put into their political and social context. With more than 500 photographs all linked to Google Maps, "A History of Ancient Rome - Handbook for Travelers" couples the historical facts to the places where they actually occurred, making it a truly unique historical guide. The Handbook is an especially useful tool for an archaeological exploration of Rome. Using the internal links in the text you can quickly return to key passages, characters, clarify unfamiliar words and deepen political, military and social aspects of events. There is no shortage of curiosities and anecdotes. The Handbook never veers from the facts and is always reliably historical. The date abbreviations BC (before Christ) and AD (anno domini) are used throughout the book as they are most familiar to the author. The author apologizes for she is well aware of the modern terms BCE (Before Common Era) and CE (Common Era) used by the academic community and NASA. These modern terms actually reflect historical correctness given that Christ’s birth date should be around 6 BCE. And why is that? Well, you’ll just have to check it out in the Handbook.

Heart of God-Aubrey Halford 2012-01-10 Awarded the Noble Prize for Literature in 1913, Rabindranath Tagore (1861— 1941) is considered the most important poet of modern-day India. He was also a distinguished author, educator, social reformer, and philosopher. Today, Tagore along with Mahatma Gandhi are prized as the foremost intellectual and spiritual advocates of India's liberation from imperial rule. This inspiring collection of Tagore's poetry represent his "simple prayers of common life." Each of the seventy-seven prayers is an eloquent affirmation of the divine in the face of both joy and sorrow. Like the Psalms of David, they transcend time and speak directly to the human heart. The spirit of this collection may be best symbolized by a single sentence by Sarvepalli Radhakrishnan, the renowned philosopher and statesman who served as president of India: "Rabindranath Tagore was one of the few representatives of the universal person to whom the future of the world belongs."

Handbook of Middle American Indians, Volume 13-Howard F. Cline 1974-01-01 Volume 13 of the Handbook of Middle American Indians, published in cooperation with the Middle American Research Institute of Tulane University under the general editorship of Robert Wauchope (1909–1979), constitutes Part 2 of the Guide to Ethnohistorical Sources. The Guide has been assembled under the volume editorship of the late Howard F. Cline, Director of the Hispanic Foundation in the Library of Congress, with Charles Gibson, John B. Glass, and H. B. Nicholson as associate volume editors. It covers geography and ethnogeography (Volume 12); sources in the European tradition (Volume 13); and sources in the native tradition (Volumes 14 and 15). The present volume contains the following studies on sources in the European tradition: “Published Collections of Documents Relating to Middle American Ethnohistory,” by Charles Gibson “An Introductory Survey of Secular Writings in the European Tradition on Colonial Middle America, 1503-1818,” by J. Benedict Warren “Religious Chroniclers and Historians: A Summary with Annotated Bibliography,” by Ernest J. Burrus, S.J. “Bernardino de Sahagún,” by Luis Nicolau d’Olwer, Howard F. Cline, and H. B. Nicholson “Antonio de Herrera,” by Manuel Ballesteros Gaibrois “Juan de Torquemada,” by José Alcina Franch “Francisco Javier Clavigero,” by Charles E. Ronan, S.J. “Charles Etienne Brasseur de Bourbourg,” by Carroll Edward Mace “Hubert Howe Bancroft,” by Howard F. Cline “Eduard Georg Seler,” by H. B. Nicholson “Selected Nineteenth-Century Mexican Writers on Ethnohistory,” by Howard F. Cline The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.

Routledge International Handbook of Therapeutic Stories and Storytelling-Clive Holmwood 2022-02-10 The Routledge International Handbook of Therapeutic Stories and Storytelling is a unique book that explores stories from an educational, community, social, health, therapeutic and therapy perspectives, acknowledging a range of diverse social and cultural views in which stories are used and written by esteemed storytellers, artists, therapists and academics from around the globe. The book is divided into five main sections that examine different approaches and contexts for therapeutic stories and storytelling. The collected authors explore storytelling as a response to the Covid-19 pandemic, in education, social and community settings, and in health and therapeutic contexts. The final section offers an International Story Anthology written by co-editor Sharon Jacksties and a final story by Katja Gorečan. This book is of enormous importance to psychotherapists and related mental health professionals, as well as academics, storytellers, teachers, people working in special educational needs, and all those with an interest in storytelling and its applied value.

Handbook of Career Development-Gideon Arulmani 2014-02-08 This book is focused on work, occupation and career development: themes that are fundamental to a wide range of human activities and relevant across all cultures. Yet theorizing and model building about this most ubiquitous of human activities from international perspectives have not been vigorous. An examination of the literature pertaining to career development, counseling and guidance that has developed over the last fifty years reveals theorizing and model building have been largely dominated by Western epistemologies, some of the largest workforces in the world are in the developing world. Career guidance is rapidly emerging as a strongly felt need in these contexts. If more relevant models are to be developed, frameworks from other cultures and economies must be recognized as providing constructs that would offer a deeper understanding of career development. This does not mean that existing ideas are to be discarded. Instead, an integrative approach that blends universal principles with particular needs could offer a framework for theorizing, research and practice that has wider relevance. The central objective of this handbook is to draw the wisdom and experiences of different cultures together to consider both universal and specific principles for career guidance and counseling that are socially and economically relevant to contemporary challenges and issues. This book is focused on extending existing concepts to broader contexts as well as introducing new concepts relevant to the discipline of career guidance and counseling.

The Kingdom of the Cults Handbook-Walter Martin 2020-01-07 False religions abound in the US and beyond, and Christians need information they can trust. Since the 1960s, The Kingdom of the Cults has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians. The Kingdom of the Cults Handbook takes that same, reliable information and pares it down into a more concise and simplified format. It's perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism, Scientology, and Wicca, this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems.

Contemporary American Folk Artists-Elinor Lander Horwitz 1975 Briefly discusses the lives and works of twenty-two American folk painters, carvers, and environmentalists.

The Bird, the Banner, and Uncle Sam-Elinor Lander Horwitz 1976 Discusses the patriotic symbols and heroes of the American people and their use in past and present art and craft objects.

The Media Handbook-Helen Katz 2014-05-09 The Media Handbook provides a practical introduction to the advertising media planning and buying process. Emphasizing basic calculations along with the practical realities of offering alternatives and evaluating the plan, this fifth edition reflects the critical changes in how media is planned, bought, and sold by today's industry professionals. Author Helen Katz looks at the larger marketing, advertising, and media objectives, and follows with an exploration of major media categories, including digital media. She provides a comprehensive analysis of planning and buying, with a continued focus on how those tactical elements tie back to the strategic aims of the brand and client. Also available is a Companion Website that expands The Media Handbook's content in an online forum. Here, students and instructors can find tools to enhance course studies such as chapter overviews, PowerPoint slides, and sample questions. With its emphasis on real-world industry practice, The Media Handbook provides an essential introduction to students in advertising, media planning, communication, and marketing. It serves as an indispensable reference for anyone pursuing a career in media planning, buying, and research.

The Big Book of Beastly Mispronunciations-Charles Harrington Elster 2006 This guide to the most commonly mispronounced words in the English language is revised and expanded with one hundred new entries including words like al-Qaeda, machismo, curriculum vitae, and Pulitzer.

A Handbook of Contemporary Theology-David L. Smith 2001-02-01 This introduction to contemporary theology looks at the origin and history of each movement, their major figures, and doctrinal emphases. The author evaluates the teachings and practices of each system in light of biblical Christianity.
